“ *Dr. Mathew Healey was my dentist since he started his practice. Such a wonderful and caring person. Him and Sherry were both wonderful to me. He always asked about my family first before he would attend to me. I will miss him a lot. My prayers with him, Sherry and family. God bless you all.*

“ Sue Williamson Havens: I have been with Dr. Healey since he started his practice in Greenville. My husband, Marvin became a patient of Dr. Healey somewhat later. Dr. Healey was a great dentist and a very nice and kind gentleman. Sherry was his wonderful dental assistant as well as his wife. I loved them both. I will miss Dr. Healey so much. God bless him and his family.

“ We are Bill and Joan Steeves from Canada and spend part of each year in Greenville! Through a dear friend of ours(Amy Mosley) we got to meet Matthew and he became our resident dentist there. He went out of his way, particularly on more than one occasion, to help us with our dental needs. We were shocked and so, so sorry to hear of this tragedy and trust the Lord will be of great comfort, as you mourn his loss! Keeping you and your dear family in our prayers!
