“ *While no words can fully express how sorry I am about Matties passing I do hope that these words can provide comfort and solace. I thank God for allowing her into my life. She had a way of brightening the world around her. From her voice when she sang to her laughter when telling a story and always a giving heart. Her life was not easy but she had angles along the way. Vickie, Wayne My prayers are with you all. Love Marlene Westmoreland Jones*
