*Jeanne was the best " Ball Momma " to so many boys growing up. She made the day special for any kid who was lucky enough to stop by the store, especially on Halloween or Christmas. Thank you Revis family for sharing her with the rest of us.*

Jeanne was like a second mother to many, myself included. She always offered encouragement and inspired us to "hang in there" even when she did not feel her best. She will be missed by my family and leaves behind countless cherished memories.i
