“ Dear Terry & family,
We were so saddened to see on the news in January about a young mother being killed in the collision in TR. But it wasn't until today that Jerry (with J&J appliances) told me that your wife was that lady in the accident... that just made the fatality even harder, to know the actual family. [We had done business with you before through buying some appliances in bulk.] We are just are glad to know that Missy was a believer in Jesus' death, burial and resurrection for her salvation.

Sincerely,

The Fredericks##imported-begin##Todd##imported-end##
