“ I'm so sorry I have not posted sooner, But I am so glad of the time I got to spend with your mom. Not just after her last time home but the many days of visiting while yall were working sitting on the back deck. Making her laugh, over silly things from years gone by. Heidi and Haley I am so glad I have gotten to know each of you personally. And with Madison the quite child I first met now does not hesitate to hug me!! that in itself warms my heart so much. God took 1 but gave me 3 more to love. I continue to pray for you all every day that you will find peace. I love you girls, And I'm here for all.
