“ The news of Michael's passing has left me heartbroken and struggling to find the right words to express my grief. He was a remarkable friend, someone who brought joy and warmth into the lives of everyone around him. Our time together, though it may have been brief, was filled with laughter, meaningful conversations, and unforgettable moments that I will treasure forever. Michael had a unique way of making those around him feel valued and loved, and his absence will be profoundly felt. As I navigate this painful loss, I hold onto the beautiful memories we created together, knowing that his spirit will continue to inspire and guide me. Rest in peace, Michael; you will always have a special place in my heart.

“Michael was a vibrant soul whose laughter could light up the darkest room. He had a knack for turning ordinary moments into extraordinary memories, always finding joy in the simplest of things. Whether it was his contagious enthusiasm for life or the way he would lend a listening ear in times of need, he made everyone around him feel valued and cherished. His kindness knew no bounds, and his spirit remains alive in the hearts of those who knew him. Though he has left us far too soon, the warmth of his friendship and the lessons he taught us about love, resilience, and living fully will forever echo in our lives. We will always carry his memory with us, celebrating the beautiful impact he had on our lives.

“ *They always say God picks the best first, that is so true of Michael. He was the most caring helpful person I knew. He was always willing to lend a helping hand. I remember having sewer issues and he came in to look at it and my dog Braxter who wouldn't let anyone in without biting them knew how good of a person Michael was cause he jumped on the kitchen table wagging his tail to get Michael's attention. Fly high my friend til we meet again.*
