“ Megumi and family,

Sandy and I are so very sorry to learn of Mike's passing. Your family has been so nice to visit us since his parents died. We appreciated that.

Our thoughts and prayers are with you, Michelle and Sachi at this very difficult time.

We will try to make visitation, but I think it will be too hot for Sandy to stand in the heat and the grave site. I'm sure you understand.

“ I have fond memories of Mike when we were employed at Toyota in the "early days". Mike and I worked together in the Quality Engineering group for a number of years and then our paths separated with myself going on the Quality Division and then to Toyota Texas with Mike remaining at Toyota until his retirement. Mike was always the perfect example of high professionalism, a true gentleman, and Christian. God speed Mike to home with our Lord. Regards, wishes of comfort, and God's care to your family Mike.
