“ Mike was like a brother to me, his parents were my God-parents I am so heart broken over this. Much love to Doris, Becky, Tony, Meredith and Chuck. Mike would refer to me as his little sister. Oh gosh, I am at a loss for words. I love all of you all very much.

“ Mike was my mentor when I heard my calling to pursue a career in Law Enforcement and then with a specialty of Sex Crimes. Mike taught me the skills of working with victims and looking for every detail in a case. Mike was a man who worked with heart and was an encourager to me even years after his retirement. He will certainly be missed but his memory lives on...
