“ Dear Vince and Girls, we are saddened and grieved to learn of Millie's passing today. We have so many good memories of the wonderful times we shared together. One thing is certain, Millie was one of the sweetest Christian ladies we have ever known. We still remember her wonderful testimony at the last revival services here in Clarksville Tennessee. We wish we could be with you during these days, but John is preaching at our church this Sunday. What a privilege and joy it was to travel so many places with Millie and Vince. It made every trip and visit a significant event. We love Vince and the girls. God comfort you all in your time of need. Be assured of our thoughts and prayers. Love John and Lib.##imported-begin##John and Lib##imported-end##

“ Sally and family I was sadden to learn of your mother's passing. I know she is with her Heavenly Father. I so enjoyed knowing both of your parents during my formative years at Edwards Road Bapt. Church. I again enjoyed seeing them while employed at Geo. Coleman several years back.

God bless your family & know you are in my family's prayers.##imported-begin##Jan Hudson##imported-end##

“ To Uncle Vince, Susan, Sandy and Sally:
Aunt Millie was such a precious person. She had a very genteel and sweet manner, and a warm, easy smile. I always enjoyed our trips together when we were kids. Her calm air was a perfect foil to the wackier personalities in the group (namely Uncle Vince and Lib!). Although I haven't seen her in years, I'll always remember her as a charming southern lady of the upmost character and highest integrity.##imported-begin##Susan Laida Maywald##imported-end##

“ Vince,
We are sooooh sorry to learn of Millie's passing!! Our hearts go out to you and to the children, grandchildren and great-grands!! Please, if there is anything we can do, please do call on us. Millie was such a wonderful "queen" as you called her. So soft-spoken, calming and genteel with a wonderful twinkle in her eyes. I loved her sense of humor. She told me that you had a new lease on life - you lived with a different woman every day...blonde one day, brunette another, referring to her wigs after the chemo. I'm grateful she shared her cardinals with me when we moved here. We will surely miss her and I know you will especially feel the pain. But you know she has no pain or worries now and I pray God will sustain you, give you courage and comfort beyond compare and walk beside you, guide you in the upcoming days, weeks and months. May God hold you in His hands always! As much as we can, we share your sorrow and will keep you in our thoughts and prayers.##imported-begin##Steve and Brenda Goodwin##imported-end##
