“ Nancy and I worked for the Navy together and shared many interests and many life events back in the 1980's. I would look after her assistance dog, Raffles, when she had health crises and she supported me with hospital visits and a post-op stay when I had a health crisis of my own. After my not hearing from her for several years, she called me on the phone about a month ago, out of the blue, and we caught up a little on our lives. I am sad with Gloria and Mark and all her family, and holding everyone who will miss her in the Light with... Love, Sally Lloyd
