“ Nannie was a lady everyone loved. She was so sweet and so very talented with her sewing even as she got older. I loved her and I pray for her family as it is a hard time even though she lived a long life. But we know we will see her again one day. Rhonda Baker

“ Nannie was a soft spoken kind hearted pillar of the community. She was always tolerant of the neighbors children, always a smile . Heaven is a little brighter already. May God bless you all and carry you through this sad time, love you all Becky and the Presnell family.
