*I hadn't seen Rusty in years.
As a teenagers he helped me paint a model car. I still have it.
A gentle Tingle smile and laugh I'll always remember.*

“ *Neal was such a kind person. I haven't seen him since high school, but I remember him and Kathryn, as we were in the same grade. God Bless all of you, and remember that you will meet again. It is so heartwarming that many of my classmates at Blue Ridge High School were, and are still, Christians and Believers. I have traveled many miles since high school, after joining the Air Force and meeting my husband from Idaho. However, it seems like yesterday when I sat beside Neal in Mr. Batson's geometry class. A calm and gentle person though, you never forget. My husband Chris's and my prayers are with you all.*
