“ Nell was and is still a huge, huge blessing In my life. I met her about 10 years ago while walking our dogs. I think on that first afternoon, we discovered a mutual love for God, for our churches, our friends, our families, and puppies. We both love reading, travel, sharing memories, walking the dogs in the park, and eating together with Thomas at Silver Bay....he always insisted on paying. My most treasured memories with Nell are the many evenings I would share my supper with her and we just talked about everything. I will miss her much, and really look forward to seeing her again in Heaven. I love her still

“ Nell Gibson was truly a remarkable Southern lady, exuding charm, intelligence, grace and poise in every situation. I knew of her my entire life, and that she and my aunt, Kathleen Styles Glenn, were classmates. However, it was not until I opened the Whistle Stop in 2014, that I got to know her well. The first few years, she and Tom would come to the Whistle Stop to eat. In the latter years, several of my employees or I would take dinner to them. We will miss both of them, but know that she is happy to be reunited with Tom. Prayers for all of the family. 💙🙏

It was my privilege to have known this fine lady and fixed her hair for about 30 years. She was one of the kindest ladies I have had the honor to know. She will be greatly missed. My thoughts and prayers go out to the family. 🙏💔

I have such lovely memories of Nell when a child. Her mother and my mother, Mary Stuart Hitner were very dear friends. I was just a child when I attended her wedding and she was the most beautiful bride and I still remember every detail of her dress. She was always so much fun and sweet. I did have a chance to see her and Thomas a few years ago at their house and as always, she was a charming hostess. My thoughts and prayers go out to her family.
