“ *Nell was my aunt, sister of my mother. I admired Nell as a child & loved her even more as an adult. I lived very far away from Nell but we talked often & she was my only go to person after my mother died. I will miss her dearly.*

“ *Jim and family, I have thought of your Mom often over the past years as we had some wonderful times together and she was always a sparkling presence anywhere she went. How lucky we were to grow up together and have our parents encircle us with love as they worked with us in church and at school and just as friends and neighbors. Thankful she has been there with you and enjoyed family time with your granddaughter. Know she is shining down on all of you and her radiance will still light your lives and many of ours with vibrant memories. Sending prayers for you.*

“ I'll always remember Ms. Hart's beautiful yard. Jim (JB) inherited this know how and everywhere they have lived, kept a beautiful lawn & flowers. He grows beautiful peonies!

She was always smartly dressed and looked half her age. Recall a conversation about letting your hair go gray. She said something to the effect never an age to be grey - she was always captivating.

JB will carry on her legacy - compassionate, caring and devoted to family. You will be missed. Oh the heavenly wonders you are enjoying .. Rest you are home.
