“ Hello, Gravely Family:
Please accept my condolences on your loss. I believe I met Mr. Gravely while interviewing "Doc" and Alice Talley Crowe at their home in 2009, as part of a research project. If this is the same person, I remember him as very nice, a bit quiet, and with a very interesting story to tell. I remember sending him a transcript of that interview.
I am thinking of your family at this difficult time.

“ Amy and family, Mr. Pete was one of the finest men I have ever known. I had the pleasure of knowing him as a leader in the church I grew up in and as Daddy to one of my closest friends. A great Christian and a devoted father and husband is the legacy that I will remember. Amy, I know your heart is broken and I pray that the Lord will reach down and comfort you and give you peace. God bless you and your family.

“ I was so shocked when I got the news this morning of Pete's passing. Pete always meant a lot to me and I was proud to be called his cousin. It was always a joy to see him and he was always a special cousin to Mama too. It really meant so very much to her last year when he came to her birthday dinner at the lake. I know you will miss him so very much but I know he's with His Lord and Savior and all his loved ones in heaven, rejoicing today and full of everlasting life. My thoughts and prayers are with you and all the family. May God give you strength and comfort that can only come from Him now and in the days ahead. I'll treasure my memories of Pete and someday we'll see him again.
Love and prayers to you all,
Darlene Cassell
