“ *What a blessing Noah was to my family. Momma and daddy both loved your picking and singing. Noah was there to pray asking God to come in his heart. He never got mad when I called him NO E. I can hear him playing in heaven in that great choir. I will see him again till then tell everyone I said hey and keep picking.*

“ *It was so hard to hear the words of Noah's "Homegoing". Praying for all the family for peace and comfort during this time. Noah is now living the songs he sang and seeing the very one whom he sung about, our Lord Jesus.*

Another good man has gone Home.

He will be greatly missed but never forgotten.
