“ Ladies, please accept my deepest sympathy on loss of your mother.

I met all of you very briefly when you lived in Pittsburgh and went to the U. S. Steel building during the Christmas holidays many years ago.

I grew up with your dad and was saddened when he died.##imported-begin##Audrey Teitel##imported-end##

“ Dear Julie, Tina, Tania and Charles and family,
I am so sorry to hear about Nora. She was always a good friend.
We had many good conversations during our 4 1/2 years together at
work. She was a very nice lady and I will always remember how
much she helped me,during that time. I ran into several times about
a year ago and I think she as well as I were glad to see each other
again after so many years. One day we will see her again.
