“ Aunt Jean a sweet lady and always shared Godly words. Visited her many times on my elderly trips. May truth keep marching on in a Godly way. Didn't really know you all that well due to circumstances but God knows it all about each and everyone of us. May Jean's humbleness teach us all to treat everyone with his love no matter who we are or what our background is for each an everyone one of us has broken places within our hearts or broken wings.
