“ ‘Papa’ Owen made me feel like part of the family the first time I ever had the pleasure of meeting him!! I feel so fortunate to have had his prayers over the past few years. There are not many people on this earth who are as blessed as he was in so many ways. His family is a great testament of his love for the Lord.

*Thank you Papa for helping to mold my husband into a godly man!
We can't wait to see you soon.*

*Love,
Miranda Arms*

“ Oneal was a precious man and he will be greatly missed. He was such an influence on me and my children showing us always to put God first and I will always remember his awesome preaching. Over 6 years ago I was told by the doctors that my 9 month old daughter Kelsey would never walk or crawl and Oneal prayed over her one Sunday morning and the doctors could not find anything wrong after that. God's presence was so strong when Oneal was around. I love you Athilee and am thinking of you and your sweet family!!
