“ Mrs. Park and her husband were important people in my youth from ages 10 - 18, when my father was pastor of their church. Mrs. Park was a steady, faithful, lovely, supportive, and fun person...someone you always looked forward to encountering. She was so pleasant, kind, and had a wonderful sense of humor. Her entire family is a wonderful and kind family that has made significant contributions to the Travelers Rest community over the years. I was privileged to visit with Mrs. Park at Spring Park at the end of October, and I'm especially glad now that I got that visit in. I am sad with this sweet family and also confident with them that Mrs. Park is pretty happy right now. Keeping you all in thoughts and prayers at this tender time.
