“ My son was Zachary's big buddy in the early years at Brockman Montessori. I remember Zachary's little brother Parker being ultra cute and the mischievous little guy with a twinkle in his eye. What a handsome, accomplished young man he became. He had a mom and dad with big hearts and a big brother who had that same big heart. Parker, be blessed... and we will be here for your family.

“ My heart goes out to your family. My son Sean spoke well of him to me. I overheard him saying on the phone to a friend this morning that Parker was just an overall good guy, and he had never heard of anyone ever having anything bad to say about Parker. I'm so sorry for your loss, and hope you can cherish your fond memories of him.

“ Our family feels honored to have been among those to have known Parker. He was a true friend to Braiden. He had a smile that would warm your heart. A few characteristics come to mind when we think of Parker; humility, loyalty, faithful, compassionate, selfless, humorous among others. I pray that those of us who were blessed to have crossed paths with him will carry some of those traits forward and touch others the way he did so that his light shines on through us all. John and Dixie and family, we pray that God's Grace will cover you in this difficult time.

“ *We have so many wonderful memories of Parker. But most of them are of him playing baseball. North Trenholm Baptist Church was our favorite hangout those days. Watching the kids start with T-ball and before we knew it, they were pitching, hitting and playing like "pros."
What a wonderful son, brother, uncle and young man. We are sending our love and prayers to all. Love Molly, Hogan and Randolph*

“ Sweet Dixie,
I never had the privilege of meeting your Parker, but every time you've shared a story about him, your eyes light up and I can clearly see the love and adoration you have for him. He was incredibly blessed to have you as his mom. I can't imagine the pain and heartache you feel right now. I am embracing you and sending you so much love.

“ My heart is completely broken for all of you. My little brother Justin Cope played baseball at USC with Parker. Justin & Parker were the ones getting the field ready Friday before practice. I never got to meet Parker..but I can say he was SUCH a good friend to Justin. They would play XBox together frequently. Your family and friends will be in my prayers continuously. “ Parker, you were one of the greatest people I have ever had the pleasure of knowing and being able to call a best friend. Absolutely anyone who knew you was better off for it, and that's something I'm certain of. I still vividly remember meeting you for the first time in 6th grade, I had no idea I had met such an incredible friend that day but you made it impossible to avoid that realization. Lots of prayers and love for John, Dixie, Zach, and Emma. Love and miss you bud.
