“ My love goes out to the family. You had some hard decisions to make with the future life of your mom. You all know deep down in your heart that it was the right one. Pat would not have wanted to live on a machine & you all knew that. You set her soul free to be with the Lord. May he bless this family with love hugs & a peace that is only from God. I love all of you and will be praying for comfort in days ahead of you.

“ *Sarah, Patty, and Freddy I am heartbroken to hear of your loss. My prayers are with you now and in the days to come. There is nothing to compare to the loss of a child or one's mother. You were blessed with a mother that loved you always remember that and remember her smile. I love you all and I am thankful to know she is in heaven.*
