“ My heart was sadden today to see that Pat has left us, here on this earth. She was a very precious person. She was my neighbor at one time and no one could ask for a better neighbor. We remained friends and kept in touch until she was too ill to be able to communicate very well. I loved her and for the type of caring person she was and the kindness she showed to me and the others she came in contact with. Pat, you will be missed, but so glad that God is now hugging you in heaven and you no longer have to suffer any more pain. ##imported-begin##Logan Jenkins##imported-end##
