Tribute Wall

“ *Daddy,
I didn't expect you to go when you did. You called me the night before you died to share family news and family trouble. I was your first born, one of three. You always told me you loved me before we hung up the phone. Your life was hard work even from an early age. You endured many sorrows and I thank God you died in your sleep. You deserved a happy ending for a not too happy middle. May you find happiness in heaven that you never found on this earth! I love you!*
