“ *The Vernon family has a very special place in our hearts. After Pat and I were married in 1959 by Uncle Woody Pinson at TRBC, we rented the little house behind Paul’s Mother’s house. Paul was a real friend to us. The Pinsons always spoke highly of the Vernons. We express our sincere love and condolences to each of you during this time in your lives. As we, I know that you are thankful for God’s Holy Spirit, our Comforter, who is always abiding in us and us in Him. That is an awesome promise from our Heavenly Father.##imported-begin##Jim & Pat Richey##imported-end##*

“ Paul,

My sympathy to you and your family on the loss of your father. I met your dad years ago when Mike and I paid you a visit at your parents home. I appreciated his hospitality.

Even though in our mind we understand and accept that death is a part of this life experience, our hearts don't want to let go.

My father and grandmother passed away at the end of last year and it's been rough.

I'm left with a greater appreciation of the blessings I have. I savor the time I spend with friends and family.

Sincerely,

Steve##imported-begin##Steve Crocker##imported-end##
