I pray that God will keep you wrapped in his arms and his comfort will help you to get through the next few days and weeks to come. “ Dear Lib and family,

I just want to tell you again how sorry I am for your loss. I still remember the smell of the the shop Northern had when it was attached to the store when Woodrow ran the store. Northern was always pleasant to us annoying kids. There are so many stories that came out of the golf matches he and daddy played in together. They gave each other such a hard time and now Daddy has his buddy to harass somemore :) My thoughts and prayers will remain with you for the days and weeks to come.

“ I can't comprehend just how sad you must feel
For the loss of someone you love.
This sorrowful time must still feel unreal
And you're looking for strength from above.

I hope, from my heart, that your pain will decrease,
That your spirit will gain strength again,
And I pray that your faith will create inner peace
And that God will send blessings--Amen.

Till then, if you need me to lighten your load,
I'm waiting to come to your aid.
Just call on me, and I'll walk down that road,
Until the dark times start to fade.

Deep condolences,
