“ Susan, I am so sorry to read of Peggy passing. I know you took very good care of her and she was thankful to have had you to do so. And I know your mama would have been thankful to know you took good care of you're grandmother. But they are both together in heaven now rejoicing with each other and your Papa. I am so thankful that one day I will see your mama again one day because I still miss her to this day. Love and prayers, Rhonda Baker
