“ Brett and Troy, I was sorry to here of your mom's passing. I met her when one of my aunts was at Rosemond for rehab and was in the room with your mom. I still tried to visit her and Mr. Simmons each week on Tuesdays, even after my aunt went home. I enjoyed talking with your mom and sharing stories about our families. She loved you all very much and was so proud of you guys and her grand boys. I will remember her for the great person she was. I will remember you all in my thoughts and prayers.##imported-begin##Danny Medlin##imported-end##

“ *Brett and Troy,*

*I was a good friend of Phyl in high school and we went to Forrest College together for a year. We lost touch as time went on but ironically I had a nagging feeling to try to reconnect in recent months. Consequently, it finally happened in July of this year. I am so happy it did. I have wonderful memories of our time together. I am so sorry for your loss and regret that I could not make the funeral and meet your families that she spoke so fondly of in our July visit. She loves you so much. Love, Marsha Melancon*
