“ Sharon this is Phyllis Oliver from Miracle Hill where we worked together over seven years ago. I remember being at the register from time to time when Rachel would come in years ago as well. She was so vibrant and ready to take on the world in Sports and make a difference . My heart was saddened when I picked up The Greenville News and saw her name. I tossed and turned in my sleep last night just thinking of her not being here. Rest assured that you all are in many peoples prayers and we prayed this morning at our regular prayer time before opening the TR Store for your Family and we extend our Love.
