“ Randy will be remembered as a true blessing to ARC. He brought an amazing talent to us when we were a young company 15 years ago. There was nothing he couldn't weld or repair. His cancer battle was the strongest one I have witnessed. Taking his treatments on Friday afternoon so he would not miss any work and be fresh for Monday. I also enjoyed my times with him fishing lakes and rivers. He will be missed greatly. Thank you Randy for being a member of the ARC family and a friend to me. Greg
