“ *One of the nicest guys! He was my dialysis patient for the last 2 years. Used to go over to his station to watch a little bit of The Price is Right with him when I was working his days. We shared a love of the flavor of tea berries as I noticed he chewed tea berry gum. I am so glad I was able to get him some Pennsylvania tea berry ice cream.*

*May angels guide you and lead you into paradise.
May the angel chorus sing to welcome you.*

*Love,
Kiki RN*
