“ The first time I met Randy, I was teaching kindergarten at Grace Bretheren Church in North Lauderdale, Fla. and his daughter was in my class. I felt, in my heart that he and his beautiful wife were going to be close friends. I was so right! Anna became my room mother and there wasn't anything that they wouldn't do for me. Randy volunteered to build the background for my kindergarten graduation. I asked for just something simple as not to take up too much of his time. Well, Randy proceeded to build the most beautiful and elaborate set for me for my play, "Alice in Animal Land." I was so amazed, excited and grateful. The graduation was great and the parents and guests just raved over the set! God gave Randy the spiritual gifts of giving, mercy, caring, compassion and encourager. I've known Randy for 42 years. He and Anna have been thru thick and thin to together with me.

They were always there for me and my 2 girls ready to help and listen in any way. When I married Michael they became instant friends as well. Randy was such a funny guy. Always making us laugh, fun to be with, even if he didn't feel well. A great barbequer. He loved that little golf green driving pad which he made on his back deck. When you hit the ball it appeared as if you were hitting it into the mountain. I never got the hang of it! He loved to ride in his off road vehicle and try to scare me. He was a brave fire fighter and real adventurer. He loved life!

His calling was to help, protect and care for people. He did it well. He loved the Lord and God's light surely did shine thru him! Last but really the most important was that Randy was a great loving husband to Anna and they were so happy together! The respect and trust the love and respect they had for each other was so evident. He was the most wonderful Dad to Heather and Holly. He taught and guided them thru every stage of life. He always encouraged and supported them and he taught them to be independent. He respected them. You could see the abundance and overflowing love he had for them. When his grandchildren came along they found an immediate place in his heart. He was a

*wonderful, loving and proud grandfather. Rightly so! Randy had such a zest for life and my husband, Michael , and I loved him so very much and will miss him more than anyone could ever know! We will miss our times together, but have so many great memories to think upon. It's ironic that he had such a big heart and in the end his heart is what took him home to be with his Heavenly Father. He is at peace now. Seeing all of his family and friends that have gone before and receiving his well deserved crown! What a celebration! HALLELUJAH!! I know that when God takes me home, Randy will be right there to greet me!takes me home, he will be right there to greet me. Oh, what a day that will be!!! I always called Randy , "the miracle man!" Have fun up there, Randy!!*
