“ It was always great to see you at work. Always friendly, polite, and with a big smile! I'll miss saying your name out loud and pounding fists when we walked past each other in the hallways. Rest in heaven Ray!

“ I am proud to have had Ray in our program. He was a very special person. He was the kid who you were glad to have in the classroom or on your team. Over the years I have had many reasons to be proud of Ray. There is not enough room to share here. I cant imagine the hurt to are going through. I do pray that God will hold you close by his side and comfort you. I will miss him too.

I was so deeply saddened to hear the news of your son's passing. I lost my beloved son in May and I know firsthand how broken your hearts are. Life will never be the same again. Ask Denise at work for my phone number if you ever need a shoulder to simply cry on or an ear to listen as you talk through your pain. Losing your child is an indescribable pain. We are in it together. Please reach out if I can ever help.
