“ Dear Barry and Family,

My heart aches for you at this time while you deal with the loss of your dad. I remember having the good fortune of meeting him and watching he and your mom follow your musical activities at Furman. They were indeed proud of you and must have continued to be proud of you throughout your career. No better gift to a parent than to see their child thrive and succeed. Thank you for giving that to them.

With deepest sympathies,

*John S. Beckford
