“ Hi Debbie,

*I just saw that Don Dixon and Marti Jones are coming to the Philadelphia area on October 3rd, 2019. My little girl Morgan is getting married in the area on October 5th. Susan and I were hoping to see Don Dixon and Marti Jones on the way up to the wedding. It made me remember the time we joined you and Rich at Max's on Broadway, when you introduced us to Don and Marti. It brought back wonderful memories of flying with Rich to Sea Isle City, shark fishing, parties at your lovely home and of course playing soccer with Rich on his Maryland State Championship Sonfast Blitz team. It also lead me to try to find Rich on Facebook. I was hoping that just maybe we could get together again and go see Don and Marti together one more time.*

*Instead I found this, Rich's obituary from 7-1/2 years ago. I'm so very sorry to find out he's passed. I wish I'd maintained our friendship over these many years. It sounds like he became even more inspirational in his latter years than he was as a young man. I'm proud to say that we were once friends and teammates. I don't know if you'll ever see this but it's worth writing in Rich's memory just in case....*

*I just read your sweet note. Congrats on the wedding. Our children are our blessings. Before Rich died he had received his master's in Christian Ministry. Was ordained and involved in prison ministry and hospice. Rich evolved into an exquisite human being.. was loved by many and left a legacy. I was blessed to be his wife and friend for 47 years*

“ *Rich, Debby and Paul... friends for many years. Rich introduced me to my first ever Maryland Crab Fest in his back yard! And no, I never had the nerve to fly in his plane! Always enjoyed the drive to Sea Isle City... never wanted to fly. A good man and in a better place. Our family's thoughts and prayers are always with yours. love, love, Dede and Mike; Lindsay and Eric; Drew and Kristy.*

“ Though you would never consider yourself on the same level as the Apostle Paul, nor would I think of myself as being an equal with Timothy; nevertheless, that’s how I viewed our relationship – one minister encouraging another. I’m forever grateful for your investment in and support of my ministry. Love you, Rich.

“Don’t let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity” (1 Timothy 4:12).

Terry,

*We learned of Richard's illness only a few weeks ago. Bobby and JoAnn sent an email to my brother John. I called Edie and Aunt Trudy but couldn't seem to get enough information to let you and Richard and his family know our prayers were with you all, and will continue to be. It has been so many, many years since we have seen one another but so often fond memories come to mind. Your brother was a favorite of mine when I was a little girl. We would park at the end of what seemed to me to be an incredibly long drive way at your home in Valley Forge. I would run the length and jump into Dick's arms and he would spin me around. I just remember he always made me feel special. You were just a baby at the time.*

*After we all lost MomMom, we seemed to lose touch with one another. While I feel sorry for that, know that we had numerous family conversations over the years remembering so many good times.*

*I wish that I could be there, have a few moments to know you and Caren again, meet Debbie and Paul and share with them that many, many years ago, Richard was very special. I have no doubt he continued to be so to you and to his family.*

*Please know our prayers are with you.*

*With love,  
Beth (Liddle) and John and Susan and their families*
