“ Family our thoughts and prayers go out to you all during this time. Growing up we shared many good times and memories with the Bone family. I am encouraged that Robert is no longer suffering in pain and I'm looking forward to seeing him again when we can celebrate the salvation given to us through our Lord Jesus Christ through out eternity. Rest in Peace ole Friend.

“ Vera, my heart goes out to you and your family. You and Robert have been an integral part of our lives and we love you both very much. I will always cherish having known Robert. He lived without complaining, always volunteering to help, offering encouragement and never failing to talk about Jesus and spread the Gospel. He was a humble man, he was my friend and I will miss him dearly. Praying for you! ~ Brenda Bridges

“ Dear Vera and Family,  
Our thoughts and prayers are with you as your beloved Robert has moved on from you physically but not spiritually. I believe he is somehow looking on you even now and wishing for your well being and comfort. I remember getting to know Robert many years ago and how much he enjoyed life. I particularly remember that he (and Vera) came to mother's (Yvonne Edens) GED graduation in the 1980s in Greenville. When mother's name was called to go on stage to get her diploma, Robert yelled out congratulations louder than anyone else in the auditorium. It was his character to celebrate with other people. Robert, now we can celebrate your life even amid our sorrow. Blessings be to God who has created and continues to care for all his children. Roger Edens

Dear Vera,  
Those Hardee's gatherings will not be the same without Robert. Nor, will your life. Robert's good nature, contagious smile, and you always by his side-love, is what I truly enjoyed. Your loves for each other was obvious.  
My prayers are with you!

“ I was so sorry to see the obituary of Robert in the paper. I send my sympathy to Vera and her family.

He always teased me about the chicken at Chick fil A and how he preferred to get his chicken somewhere else. I always enjoyed visiting with him and Vera when they came into the restaurant.

I'm so sorry for your loss. Carolyn Lancaster

“ What can you even say about Robert? He always treated me like I was the "cat's meow", and I know he loved me. And, I'll bet all his friends probably felt the same way. He was so kind and compassionate and HELPFUL. He will be sorely missed. I will try to give my loving feelings for him to the wife he so dearly loved. I love them both so much.
