“ *To Wanda and the Kids,  
First I want to say that I love you guys and am truly sorry for the loss of such a great man, father, and husband. I always just loved him to death as a child and that never changed as I grew up. I was lucky enough to see him during my brief visit home to north Carolina. It wasn't the best circumstances but I was elated to see him and gave him a huge hug! I am so thankful that I had that opportunity to do that just a few weeks ago. I am so sorry that I couldn't be there with the family but unfortunately I had to return to Hawaii thanks to the army. Either way my heart is with you all.  
With much love and a heavy heart,  
Chesnee*

“ *Maria and family, I have been praying for you during these difficult days. It is such a blessing that your dad was saved and ready to meet the Lord. You are such a blessing to me at church. The Lord is a very present help in trouble and He will be faithful in the days ahead during lonely times. He is a friend that sticketh closer than a brother. If I can help you in any way, please let me know.*

“ Robert ,John is a gentleman ,helpfull caring outdoorsman ,who loved to see children involved in the activities that encouraged growth ,sportsmanship ,comamadrie and love . As a man he taught me many things about life ,how to be yourself in any time or surrounding and to treat people as humans no matter their social or economic advantage or disadvantage .He continued my life teaching where my fathers life had stopped . A man who shared his life with me in the deer woods along the side of others.What grand memories will allways be a part of me. To his family and son Jason,THANK YOU ! A great God believing man who lived his life as he was, just a man. A southern man !
