“ *Debbie and Angie, I just heard of Roberts passing and I want you and all your family to know that I am praying for God to wrap you in his arms and comfort you in the days ahead. Robert was a wonderful man and a dear friend and companion to our mother after the passing of our father and we are very grateful to him for that. I miss seeing him in his garden that he loved so much and I think of him every time I look up the hill or pass his home. I always loved that he would grow that garden and after reaping he would put it on the side of the road for who ever wanted to take it. He was a very kind and giving person and you were blessed to have him. He will be missed. God bless you.*
