“ You don't know me, but I live directly across the parking lot from Preston in Nashville. I met him when I was walking to the mailbox several months ago. My heart is broken for you and it was so sad as I watched everything unfold on Monday. Since Monday, I've still been thinking about him as I've looked out my window and have seen his car and house. Please let me know if I can do anything as his neighbor. May the Lord comfort your hearts as only He can 🙏💕
