“ Paula told me the news a while ago. To my neighbors for over 20 years, please know I will be thinking of you, and feel I share your loss. The swapping stories with Robert at the end of our driveways. The asking' his advice on how to go about fixing this, or that which was always broke down. The kind words we exchanged, and even just the nod or a wave from across the way to let me know he saw me when I pulled in after being out of town for the week. All of it will be missed dearly, because it meant so much. Robert to me was just a part of what I consider being at home. Robert was truly a good and kindhearted man.

“ *There are so many memories from my childhood I could share. One memory that always will stay with me, is when I fell off a mini-bike and Robert made me get back on. He said you can't be afraid, just climb right back up and go.....and that I did. Thank you for being a positive in my life. You will be missed. Love always to the family. Kim Hagin Green*
