“ Aunt Shirley, I will always hold my special memories of Uncle Bob close to my heart and I will always wish I had more. Please know you are in my prayers constantly, throughout everyday, as I pray for God to give you peace and courage. I know we can't fill the space he left, but I hope you find some extra strength in knowing we love you. I hope when I see him again, all healthy and fit, he'll still have "LOVE" tattooed across his knuckles! That is so my Uncle Bob!

“ I remember when Shirly first brought Bob to our little Baptist church in Richmand, CA.-- back in the happy days of the 50's. He was smiling, enjoyed the people and in a short time we all fell in love with the guy; Shirly more than the rest of us! He had a magnetic smile, was always accepting and fun to be with, always a gentleman, cordial and caring, and he soon embraced Jesus -- a decision of a life-time. Boy does he know that now! Just the thought of Bob makes me smile -- what a joy it was to know him! Shirly, thank you for your dedicated care of this man among men. Troy -- you were blessed. Bob, see you later!###imported-begin##Charles and Barabra Smith###imported-end##
