“ Thank you to everyone who shared in the memorial services with us, the Joseph family, the Doggett family, and the Bentley family. Everyone there shared the same sentiment, that Robin was the sweetest, kindest, giving person. I feel a tremendous loss, my heart is aching as never before. I will remember her smile, her laughter, and our many fun adventures. Our walks on the beach, our hikes in the mountains, our jet ski trip on the lake, our holding each other and sharing stories only sisters can share, and all the other times together is forever etched in my memory. My dear loving sister, knowing I will see your beautiful face again will keep me going. Richard, Amy, Chrissy and Kyle, I love you!

“ We little knew that morning that God was going to call your name,
In life we loved you dearly; in death we do the same
It broke our hearts to lose you, you did not go alone.
For part of us went with you, the day God called you home
You left us peaceful memories, your love is still our guide,
And though we cannot see you, you are always at our side
Our family chain is broken, and nothing seems the same,

But as God calls us one by one, the chain will link again

“ I am so very sorry for your loss! I haven't seen Robin in years but will always remember her as a sweet, gentle person. I will never, ever forget that when our son was a little baby, Robin got him to laugh for the first time! What a joy that was to see.

I also remember a time when she and Richard were at our house and I was preparing dinner. I was cutting the flower parts off of the broccoli stems and she couldn't believe I didn't cook the stems. Right then and there, she started eating the raw stocks and I was in shock. I honestly have thought of Robin every single time I chop broccoli!

May wonderful memories of her surround you all during this very sad time. She made the world a better place.

Love,
Donna Joseph, Fred & Trey

Robin was my very good neighbor, friend and confidant. I loved to see her most always with a huge smile and hug. I have missed those since I moved away. Some of my fondest memories were spent in the pool, hitting a beachball back and forth with a frozen pitcher of Pina Colada nearby. I sure do miss my friend and will never forget all the fond memories we made together. My sincere condolences go out to all of her loved ones.

“*Robin was a thoughtful lady with a huge heart. She loved her family and children and most of all my brother. She will be missed by many. The world was a better place with Robin in it, now she looks down on all us with love.*
