“ Another two years have gone by, and I still miss Ron every day! I treasure the time we had together growing up, being 15 months apart, partners in crime and working hard to achieve the great work ethic that came from that. You'll always be in my heart. You were so very special to your niece and nephews.

“ I can't believe that it's been three years since my brother and friend went to be with the Lord,. I miss him every day, sharing garden stories, the difference in weather (of course SC's is better than MI's!), and stories of our childhood. I feel like mucho of my early childhood is erased without having anyone that I shared it with. I love you and miss you! Susan

“ Judy, I am so sorry to hear about your husband. I can understand your pain. I lost mine almost 5 years ago. I found out from Cathy Hillman and Jeff. You were together a very long time and healing will take some time. I wish you the best and think about our childhood often on Eagle Rd. Marj Wells Grainer. You can find me on FB under Marjorie Grainer. 🚫🙏😞
