“ Indeed, I am saddened to learn that you're mourning the loss of your dear Ronald. However, it saddens our God even more. No doubt, you have many fond memories which will resurface from time to time. And because you do have memories, certainly shows that almighty God has memories as well. Therefore, with full confidence you can take comfort in knowing that he longs to restore perfect life to all those in his memory (Job 14:13-15; Rev 21:3, 4). Please accept my condolences at this most distressing time.”
