“ I miss mama so much. God is really going to love having her around. She never gave up on us. She tried so hard to help so many people. I love you mama. I just hope I can be half as good as you are. 😭😭

“ *Mama
You always taught us that family was the most important thing you
have and to stand your ground for what you believe in and to try to
treat people the way you would want to be treated I believe these
this to be true but I guess God needed an angel so spread your
wings and fly high and remember I love you fly high mama
