“ *When I think of Rosie, I think of our Apple Tree! Each year I would call her when they were ready to pick. She, Dee & one or two grandchildren would come down & load up baskets of green, canning apples! Pretty soon, I'd get a call & they would deliver the best applesauce & applebutter for us to enjoy! And, we loved it!*

She would call me many times when she was in the student pick-up line at one of her grandkids schools, just to say Hi & chat.

We used to meet at the church in Marietta and walk the track upstairs! Sometimes, her sister would meet us! I think we went around 8 times.

I'd go up to visit her when Dee was at the Mill & she would be working on another puzzle!

I have no idea how many she put together but it was a lot! She gave me one of a beautiful country home!

She was a wonderful neighbor and friend!

She loved The Lord and now, she is with Him!
