“ Wanda & Linda, so sorry of your loss to your last "tie" to all the sweet memories you have of your folks. We have some wonderful memories of them when we use to visit each other in South Florida. Uncle Roy was the most talented man we knew. He could take any kind of material and construct something beautiful and unique. He made us a beautiful clock that he constructed out of a cast iron frying pan. We've hung it in every kitchen we ever had over the last 33 years. May God bless you with his sweet spirit so that the sweet memories will outweigh your loss. Our Love, Wilford and Jan Simpson

“ Wanda and Linda, I am so very sorry for your loss. I will always remember Uncle Roy with a great deal of fondness. Even though I knew he was in hospice care, I was still quite shocked when I heard that he had passed. I am very sorry I cannot be there to support you. Please know that your entire family is in my thoughts and prayers. May God provide comfort for you in this time of loss. With my love (Carol) Bruce Johnston

“ I will always remember his smile. He made the room come alive with his presence and always teased me by calling me "red". I loved him and will miss him. He was a good man.
