Tribute Wall

“ Ruby and her family mean a lot to my wife and I. Ruby and her pre-deceased sister, Beatrice, were my biggest fans for my fruit carvings. I loved being able to share pictures of my carvings with Ruby and she seemed to love having me share them with her. She would also sit in the pew at church and smile at me while I was at the piano. I will miss her smiling face, her comforting voice, and the Christ-like example that she led.##imported-begin##Don Owen##imported-end##
