“ I am so sorry for your loss.

I believe your Mother was my 4th grade teacher at Bossier Elementary. I still remember the method she used to teach the multiplication tables (and I have never forgotten my "times tables").##imported-begin##Maggie Baker##imported-end##

“ Faith, I am so sorry to hear about your Mother. You probably don't remember me but you lived across the street from me in Bossier City, Louisiana. I was in your Mother's room and have always remembered her as a very sweet person. You played at my house everyday when we lived on Traffic Street. I would love to talk to you. Again, I am so very sorry for your loss.
