“ I just wanted to express my deepest sympathy to the whole Jacobs family in the loss of your dear wife, mother and grandmother. I will always have fond memories of your family during the old Morningside days. I know that your hearts are broken, but I pray that God will sustain you now and in the coming days and give you peace and comfort.

I regret that I will not be able to come to the visitation tonight as I have two young children, and my husband is out of town. Please know that my thoughts and prayers are with you.

Love in Christ,
